

TRACK RECORD – PRODUCTION

Control Panels & Mechanical Switchboards

Testing Rigs

Main Switchboards

Track Record

Mizco has been Manufacturing and supplying switchboards to Domestic, Commercial, Industrial, Mining, and Marine & Offshore clients both locally and internationally for more than 25 Years.

Switchboards can vary from Site Main Switchboards, Mechanical Service Switchboards, Distribution Boards, Basic Control Panels to PLC Integration System Panels.

We are in Malaga, Western Australia near Perth CBD, the domestic and international airports, and the shipping port of Fremantle.

Design

MizCo can build to all standards, we hold CE accreditation to build CE compliant switchboards for international clients where CE is required. We conform to all the local standards including AS3439 and IEC61439. Our products are IP Certified to IP54 and Impact Rated to IK10. A new MizCo design for IP66 switchboards has recently been type tested and certified IP66 Compliant. We can supply Type Test Switchboards using the Cubic modular system or in accordance with IEC 61439 verification requirements.

Mizco can Custom Design and Manufacture and we regularly work in partnership with Design and Engineering Consultants, Construction Contractors and End User clients depending on the scope and project requirements. Our expertise is well respected within industry and our proven designs are practical, effective and conform to Regulatory requirements.

Recent Scopes

Recent scopes have included manufacturing training aids for Government Approved Recognised Training Authorities. This involved specialist testing modules to help with the specific theoretical training of Electrical Apprentices including practical real-world hands on simulation / training in a safe working environment.

YEAR	PROJECTS
2020	Kemerton LiOH Bagging Area – Electrical Panels & Humidifiers
2020	Greater Curtin
2020	Solar Earth Protection Board
2020	Kirkham SMSB
2020	Dual Engraving Intrastruct SMSB
2020	Moora Residential College MSSB supply
2019	Dulux DB Boards
2019	Bickley Road SMSB
2019	Christmas Island Airport SMSB
2019	Cocos Island, AFP Building, Switchboard Upgrade
2019	Whitman Park Site Main Switchboard
2019	Pascoe St Apartment MSB
2019	Curtin B111 Switchboard Replacement
2018	Precinct Switchboards
2018	HMAS Stirling Pool ASHP - MSSB
2018	William St Switchboard
2017	Hamilton Hill SMSB
2017	Bally St Landsdale SMSB
2017	Shire of Manjimup SMSB
2017	College Of Electrical Training SA Panels
2017	College Of Electrical Training Karratha Mini Suitcase Panels
2017	King Bay Base Facility DB11 Replacement
2016	PV Panels
2016	Fox SMSBS
2016	Vincenti Switchboard
2016	Traeger Switchboard
2016	Halley St. SMSB
2016	Albany Highway 130A SMSB
2016	Rake Drive Panels
2016	Department of Defense 40x 4WPDB
2016	College Of Electrical Training Mini Panel
2016	Carbarns SMSB
2016	Van Tran SMSB
2015	Stirling Hwy Switchboard
2015	Whiteman Park Switchboard
2015	Trainwest, Belmont Switchboard
2015	Tokyo Gas Load shed Boxes
2015	Rittal Fan Filter Enclosure
2015	Santavea Switchboard
2015	Ethiad L20 Loadshed Boxes
2015	Exmouth Apartment Replacement Switchboard
2015	Bullsbrook Switchboard
2015	Fresh Express Switchboard
2015	Treendale SMSB
2015	Herne Hill Switchboard
2015	Murdoch Uni Library

YEAR**PROJECTS**

2015	Stirling Hwy Switchboard
2015	Whiteman Park Switchboard
2015	Kaombo Tech Building P2
2015	New Perth Bus Port
2015	Martin Linge LQ
2014	Lift Pressurization Panel
2014	Hill St Switchboard
2014	Heat Exchangers Switchboard
2014	ADI Clarkson Switchboard
2014	Goldtrain Switchboard
2014	ADI Clarkson Switchboard
2014	ADI Malaga Switchboard
2014	Green Planet Recycling Switch Board
2014	Purearth Switchboard
2014	RTM Switchboard
2014	Loose Leaf Lettuce Switchboard
2014	Sativa Garden Trust Switchboard
2014	CMKYHUBS Switchboard
2014	Krepp Electrics Switchboard
